**AT&T COMPANIES' LIMITED OBJECTION TO DEBTORS'
MOTION TO (A) SCHEDULE A SALE HEARING;
(B) ESTABLISH SALES PROCEDURES; (C) APPROVE A
BREAK-UP FEE; AND (D) APPROVE THE SALE OF THE
PURCHASED ASSETS AND THE ASSUMPTION AND ASSIGNMENT
OF CONTRACTS RELATING TO THE PURCHASED ASSETS**

AT&T Inc., on its own behalf and on behalf of its subsidiaries and affiliates, including but not limited to, AT&T Corp., AT&T Wireless, SouthWestern Bell, Bell South, Cingular and Sterling Commerce (Southern) Inc. (collectively, the "AT&T Companies"), hereby files this limited objection to the Debtors' Motion to (A) Schedule a Sale Hearing; (B) Establish Sales Procedures; (C) Approve a Break-Up Fee; and (D) Approve the Sale of the Purchased Assets and the Assumption and Assignment of Contracts Relating to the Purchased Assets, dated September 17, 2008 (the "Sale Motion") and in support thereof states as follows:

BACKGROUND

1. On September 15 and 17, 2008, respectively, Lehman Brothers Holdings Inc. and LB 745 LLC (collectively, the “Debtors”) filed petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”).

2. The AT&T Companies provides various telecommunications services to Lehman Brothers, including land-line and mobile telephone and other data services. These services have been provided pursuant to numerous contracts (the “Telecommunication Contracts”) with Lehman Brothers. In addition, Lehman Brothers, Inc. and Sterling Commerce (Southern), Inc. are parties to a certain Software License Agreement, dated March 31, 2000, pursuant to which Sterling Commerce granted Lehman Brothers, Inc. a license to use certain software (the “License Agreement”), and together with the Telecommunication Contracts, the “AT&T Executory Contracts”).

3. The Debtors owe the AT&T Companies approximately \$3,042,153.55 for the services provided under the AT&T Executory Contracts (the “Cure Amount”). See Exhibit A. The Cure Amount is an estimate based on information gathered on an expedited basis under the time constraints dictated by the extraordinary speed with which the Debtors’ transaction is proceeding. As such, the AT&T Companies reserve all of their rights to supplement and amend the Cure Amount as information becomes available.

THE SALE MOTION

4. On September 17, 2008, the Debtors filed the Sale Motion. Pursuant to the Sale Motion, the Debtors propose to sell certain assets to Barclays Capital Inc. (the “Purchaser”) for approximately \$1.7 billion. The Sale Motion also provides for the Debtors to assume and assign hundreds and possibly thousands of executory contracts. The Debtors, however, did not provide

a list of such contracts in the Sale Motion, and instead, proposed to provide such list prior to the hearing on the Sale Motion.

5. On September 17, 2008, the Court entered an order (the “Order”) setting the sale hearing for September 19, 2008 at 4:00 p.m. (the “Sale Hearing”). The Order provides for the Debtors to give notice of the Sale Hearing (the “Notice”). The Notice, approved by the Order, provided that the Debtors will give the Court and the non-Debtor party to any contract the Debtors propose to assume and assign “[a]t least one (1) day” notice of such assumption and assignment and the proposed cure amount. Order at ¶12(b).

6. The Notice further provides that any objections to the proposed cure amount “must state in its objection, with specificity, what Cure Amount is required with appropriate documentation in support thereof [] no later than the Sale Hearing.” Order at ¶12(c). The Notice also states that, if no objection is timely received, “any Cure Amount identified pursuant to the Assumption, Assignment and Cure Notice shall be controlling ... and the non-Debtor party ... shall be deemed to have consented to the Cure Amount and shall be forever barred from asserting any other claims related to such Closing Date Contract against the Debtors or Purchaser, or the property of any of them.” Id.

7. The Debtors posted the list of assumed contracts in the middle of the night/early morning of the Sale Hearing (the “List”). The List identifies numerous contracts with the AT&T Companies with the following proposed cure amounts:

- AT&T Wireless - \$631,864.87
- AT&T - \$37,128.14
- SW Bell - \$0
- Bell South - \$0

- Cingular Wireless- \$0

Total - \$668,993.01.

8. Based on information available at this time, the correct cure amounts that must be paid prior to assumption and assignment is as follows: (i) \$1,234,661.12 under certain mobile telecom contracts, and (ii) \$1,797,465.20 under certain non-mobile telecom contracts, totaling approximately \$3,032,126.32. See Exhibit A. (The License Agreement is not proposed to be assumed at the closing. If the License Agreement is also assumed and assigned, the cure amount that must be paid is \$10,027.23 (thereby increasing the total cure payment to \$3,042,153.55)).¹

9. The amounts listed above are based upon an expedited review of the List and the AT&T Companies' books and records. The AT&T Companies reserve their rights to supplement and amend these amounts.

OBJECTION

10. While the AT&T Companies do not object to the proposed assumption and assignment of the AT&T Executory Contracts, the Debtors must cure all outstanding amounts owed under the assumed and assigned AT&T Executory Contracts in full prior to the assuming and assigning such contract.²

11. Section 365(b)(1) provides if "there has been a default in an executory contract or unexpired lease of the debtor, the trustee may not assume such contract or lease unless, at the

¹ Although the License Agreement with Sterling Commerce is included on the List, the Debtors are not proposing to assume and assign such agreement at closing, and therefore, there is no cure listed. However, the Debtors reserved the right in the Sale Motion to designate additional contracts to be assumed and assigned within sixty days. Sale Motion at ¶128. Accordingly, the AT&T Companies have included the amounts owed under the License Agreement that need to be cured should the Debtors elect to assume and assign the License Agreement. The AT&T Companies reserve all of their rights to object to assumption and assignment of this intellectual property License Agreement under Section 365 of the Bankruptcy.

² Given the short time frame involved in the sale process, the AT&T Companies reserve the right to supplement and amend this objection including with respect to the amounts owed as additional information is gathered.

time of assumption of such contract or lease, the trustee . . . cures, or provides adequate assurance that the trustee will promptly cure, such default. . . .” 11 U.S.C. § 365(b)(1)(A). As such, if the Debtors assume and assign all of the AT&T Executory Contracts to the Purchasers, the Debtors must pay the Cure Amount as listed in Exhibit A.

12. To the extent the Debtors are assuming and assigning only some of the AT&T Executory Contracts, the AT&T Companies object to any proposed cure amounts that differ from the AT&T Companies’ books and records. The AT&T Companies also object to the insufficient notice that is being provided. The Debtors have provided the AT&T Companies with less than twenty four hours notice to review a list of hundreds (or thousands) of contracts, find those AT&T Executory Contracts that the Debtors are proposing to assume and assign, and then determine the proper cure amount for such contract. Thus, the AT&T Companies are listing all of the cure amounts owed under all of the AT&T Executory Contracts in Exhibit A which is approximately \$3,042,153.55 and reserving their rights to supplement the Cure Amount as information is gathered.

CONCLUSION

WHEREFORE, for the reasons stated above, the AT&T Companies objects to the relief requested in the Sale Motion to the extent cited above and respectfully requests that it be denied, and that the Court grant such other and further relief as deemed just and proper.

Dated: September 19, 2008

¹ The billing cycle does not close until September 20, 2008, and as such, AT&T can only provide an estimate for the current billing cycle. The estimates listed above are for the following time periods: (i) for account #69691 from August 21, 2008 to September 15, 2008, and (ii) for account # 996904080 from September 6, 2008 to September 15, 2008. These estimates are based on the average amount owed for the previous six months of billing cycles for those accounts and are pro-rated for the amount of days remaining in the present billing cycle up to September 15, 2008 – the petition date. Post –petition amounts are also accruing in the billing cycle.

² The breakdown for the amounts owed involve numerous contracts and accounts, and as such, are too voluminous to list above. Attached to this exhibits are separate spreadsheets detailing these amounts owed.
